Training and Competence Matrix

Mbombela packhouse, status on 31 August 2026, with an induction record

1. How to read this matrix

Each row is one person and each column is a requirement from our training needs analysis for that job role. A date shows the course was completed and the certificate is on file in Section D; a **valid to** date comes from the certificate itself. **Not required** means the job role does not need it. **Booked** shows the date of a planned course. The Training Coordinator, Nokuthula Mnisi, updates the matrix every month and flags anything due within 60 days.
